

# Computershare and Creative Printing Services Collaborate on a Full Suite of Regulatory Required Communication Services

## New Offering to Increase Efficiency, Value and Promotion Opportunities

BURR RIDGE, Ill., June 3 /PRNewswire/ -- Computershare Limited (ASX: CPU), a leading financial services provider for the global securities industry, and Creative Printing Services, Inc., a diversified and minority-owned print manufacturing company, today announced they will work together to bring enhanced regulatory communication services to Fortune 1000 clients.

"Teaming with Computershare, by leveraging their compliance suite of services, makes for a fabulous opportunity for our customers, Computershare, and Creative Printing Services," said Haves McNeal, President, Creative Printing Services. "Our common vision to package truly paired services offers a more relevant, multi-dimensional solution supporting the dynamic needs of the client."

"By combining our competencies with a world-class financial printer, we bring a cohesive enterprise solution to Creative Printing Service's committed customer base," said Bernie O'Connor, President, Computershare Communication Services. "Creative Printing Services has an extremely loyal and satisfied client-base because they have helped them grow their businesses with superior quality and service. Now, Creative's clients will have access to regulatory product expertise by utilizing our EDGAR Filing, Section 16 Manager, XBRL & Online Hosting & Presentation offerings."

In addition to a one-stop shop for the entire range of communications, this agreement will bring together two of the print and electronic communications industry's most experienced and quality-focused teams and offer strategic consulting to ensure clients' customer outreach programs are done efficiently and effectively.
